

a letter to the
ROMANS

and to the
ENDS of the
EARTH

The International Growth Groups (IGG) are an ideal place to belong at St Helen's if you're from overseas and only planning on being in London for a few years or less. As members of the 10:30am or 2:30pm congregations, we gather at *7pm on Wednesdays (from 12/9/18)* to listen to God's word together, with a particular focus on applying the gospel to life back home. As we grow together to know Christ more deeply, we long to make him known more widely. This year, we'll be digging into Paul's letter to the Romans. Scan the QR code below to catch a glimpse of what we are like! We'd love you to come and check us out.
