

**Preparation Questions**  
**John 19.16 - 42**  
**The moment has come – Mission Accomplished!**

**Hint:** Again the details John records are deliberately chosen to help us see the significance of what is happening and impress upon us themes we've already seen in John's Gospel. Again like last time, this passage seems to have a 'sandwich' type structure.

A)v16-22

B)v23-27

**C)v28-30**

B)v31-37

A)v38-42

<b>Have a go at filling in the table.</b>	Imagine you were an onlooker what would you think was happening?	How do John's choices of the details he records, his explanatory comments and his highlighting of Old Testament fulfilment help us see what's really going on? ... What therefore are the important things we should therefore learn about Jesus' true identity, his death, God's plan and what Jesus is achieving?

**Sum up** v35 gives us John's intended application. What therefore are the key things from the passage we should consider about Jesus' identity, his mission and God's plan? Sum up the big point.

**(Context:** In ch13 and ch17 Jesus said that he would be glorified through his death. From ch18-19, what different facets of his glory has Jesus displayed? How do this passage and the previous two work together to explain Jesus' death and what it achieves? )

**Ones to keep chewing on:** How would you answer the following statements from what we've seen of Jesus' death?

"Jesus' death was just a tragic failure"

"I'm not sure I can be forgiven."

"I don't think God cares about me"
