

If you have heard something new or striking at St Helen's about Christianity, and would like to investigate further, please join one of our regular Christianity Explored courses. They provide a friendly, relaxed environment in which to explore and discuss more about who Jesus is, why he came, and what it means to follow him, as well as to ask any questions you like.

Courses run both midweek and on Sundays and meet in one of our church buildings here in the City. If you would like to join the next course, please fill in your contact details in the tear-off slip below, and drop it into one of the tubs by the door. Alternatively, please visit: www.st-helens.org.uk/christianity/christianity-explored or call 020 7283 2231.
